242

The Henkel Group:

For more than 130 years, Henkel has been a leader with brands and technologies that make people's lives easier, better and more beautiful. Henkel operates in three business areas – Home Care, Personal Care and Adhesive Technologies – and is ranked among the Fortune Global 500 companies. More than 60 percent of Henkel's sales are in fast-moving consumer goods, while the industrial business accounts for almost 40 percent of the company's total sales. In fiscal 2008, Henkel generated sales of \$20.8 billion and adjusted operating profit of \$2.1 billion. Our more than 55,000 employees worldwide are dedicated to fulfilling our corporate claim, "A Brand like a Friend," and ensuring that people in more than 125 countries can trust in brands and technologies from Henkel.

In North America, Henkel's businesses include Henkel Professional & Consumer Adhesives; the Industrial Adhesives, Sealants and Surface Technologies businesses of Henkel Corporation, Schwarzkopf & Henkel hair and personal care businesses of Henkel Corporation and the Laundry and Home Care business sector of Dial Corporation. For more information about Henkel, visit the company's Web site at www.henkel.com. For information on its North American brands and businesses, visit www.henkel.us.
